How to Join a Video Visit
## From myChart Web (Laptop / Computer)

Please download Zoom on your laptop or computer prior to your appointment.
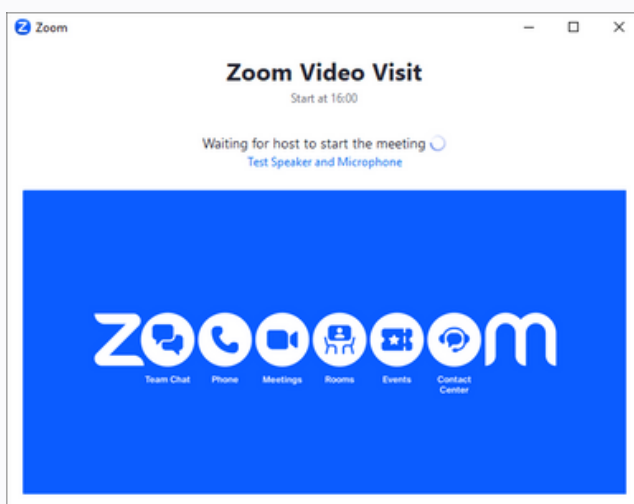

1 Login to myChart and click the orange "Begin visit" button in the health feed.

2 Click the orange "Join video visit" button to launch your visit.

3 If the provider has not joined the visit yet, you will see this screen. Wait here.

4 When the provider joins the visit, join with Computer Audio.
