

Outpatient Rehabilitation at MemorialCare Saddleback Medical Center

MemorialCare Saddleback Medical Center is located south of the 5 Freeway, adjacent to the Laguna Hills Mall/Village at Laguna Hills.

Outpatient Rehabilitation is now located in the Medical Office Tower building at MemorialCare Saddleback Medical Center.

You will be able to access the new Outpatient Rehab location from the Medical Office Tower entrance or The Women's Hospital entrance. The Women's Hospital entrance is available for our patients with limited mobility. Valet is offered at both entrances, so you will not have to walk far.

Complimentary valet: We offer free valet for patients and their families Monday – Friday from 7:00 a.m. – 6 p.m. Tips are not required.

If you are utilizing the valet near the Medical Office Tower, instead of turning right into the parking lot, continue straight to the roundabout. A shuttle is available to take you up the ramp to the Medical Office Tower entrance. Wheelchairs are available upon request.
