

Complimentary Valet Service

Exceptional Service and Care, Before You Walk Through Our Doors

Patients and visitors now have the option of complimentary valet parking service from 7 am – 6 pm, Monday through Friday.

- Valets offer safe, convenient and complimentary parking (no tips are required)
- Patients and guests receive a warm greeting
- Valets can assist with information and provide directions to help ensure patients or guests reach their destination easily and on time
- Valets can assist in obtaining walkers from the backseat/trunk and can obtain wheelchairs for those who need them
- Curbside valet service enables patients to stay with their family members and guests, without the need for patient drop-off and self-parking
- After appointments and visits, valets make it easy, safe and pleasant for patients and guests to head on their way
- Self-parking will continue to be available for patients and visitors who prefer to self-park

V Valet Drop-Off

P Visitor Self-Parking

The service is available at the entrance off Calle de la Magdalena, at the roundabout. A shuttle will drop off patients and visitors at the Medical Office Tower entrance, which also connects to all areas of the hospital (See map above).

Complimentary valet service is one more example of our commitment to provide an exceptional patient and guest experience.
