

Immunization Schedule

Immunize to Save Lives

The physicians of MemorialCare firmly believe that immunizations provide children with the best possible protection against life-threatening illnesses. Please use this schedule to stay up to date with your child's immunizations. For more information, please visit the CDC's website at immunize.org/vis or scan the QR code below.

Age	Hep B + DTap + IPV	Hib	PCV	Rotavirus (Oral)	MMR	VZV	Hep A	DTap	DTap-IPV	MCV	Tdap	HPV
2 months	X	X	X	X								
4 months	X	X	X	X								
6 months	X		X									
12 months					X	X	X					
15 months		X	X					X				
18 months							X					
After 4 th birthday					X	X			X			
After 11 th birthday										X	X	X
After 16 th birthday										X
